

# EMMA

European Multiple Myeloma Academy

## PROGRAM

### Friday, January 22, 2021

**09:00–09:05 OPENING**

Heinz Ludwig, Jesús F. San-Miguel

#### MYELOMA BIOLOGY AND RISK STRATIFICATION

**09:05–09:30 Molecular pathway from MGUS to MM**

Nikhil Munshi

**09:30–09:55 Role of epigenetic modulation and bone marrow microenvironment in initiation and progression of myeloma**

Charlotte Pawlyn

**09:55–10:20 Risk stratification of multiple myeloma**

Hervé Avet-Loiseau

**10:20–10:50 Panel discussion**

Discussants: Nikhil Munshi, Charlotte Pawlyn, Hervé Avet-Loiseau, Jesús F. San-Miguel

**10:50–11:05 Break**

#### MANAGEMENT OF PATIENTS WITH SPECIAL CONDITIONS

**11:05–11:30 Bone disease**

Evangelos Terpos

**11:30–11:55 Renal failure**

Heinz Ludwig

**11:55–12:20 High-risk disease including PCL and extramedullary disease**

Francesca Gay

**12:20–12:50 Panel discussion**

Discussants: Evangelos Terpos, Heinz Ludwig, Francesca Gay

**12:50–13:45 Lunch Break**

#### SMOLDERING MYELOMA

**13:45–14:00 Why I treat all patients with high-risk SMM**

Mariá-Victoria Mateos

**14:00–14:15 Why I don't treat all patients with high-risk SMM**

Xavier Leleu

**14:15–14:45 Panel discussion**

Discussants: Mariá-Victoria Mateos, Xavier Leleu, Jesús F. San-Miguel

**14:45–15:00 Break**

# EMMA

European Multiple Myeloma Academy

## PROGRESS IN MYELOMA THERAPY

- 15:00–15:25 **Progress in first-line therapy of TE patients**  
Philippe Moreau
- 15:25–15:50 **Progress in first-line treatment of TNE patients**  
Thierry Facon
- 15:50–16:15 **The expanded choices for maintenance therapy**  
Michele Cavo
- 16:15–16:45 **Panel discussion**  
Discussants: Philippe Moreau, Thierry Facon, Michele Cavo, Heinz Ludwig

## KEYNOTE LECTURE

- 16:45–17:15 **The roadmap to cure**  
Jesús F. San-Miguel
- 17:15–17:45 **Q & A and closure of the day**  
Jesús F. San-Miguel, Heinz Ludwig

## Saturday, January 23, 2021

### PROGRESS IN MYELOMA THERAPY

- 09:00–09:25 **Treatment of patients in first relapse**  
Kwee Yong
- 09:25–09:50 **Treatment of patients after two or more treatment lines**  
Pieter Sonneveld
- 09:50–10:15 **BiTEs and cellular immunotherapy in MM**  
Hermann Einsele
- 10:15–10:40 **Novel therapies**  
Enrique Ocio
- 10:40–11:10 **Panel discussion**  
Discussants: Kwee Yong, Pieter Sonneveld, Hermann Einsele, Enrique Ocio, Jesús F. San-Miguel
- 11:10–11:25 *Break*

### COVID AND PROGRESS IN AMYLOIDOSIS

- 11:25–11:50 **Management of patient during the SARS-CoV-2 Pandemy – the Italian perspective**  
Mario Boccadoro
- 11:50–12:15 **Progress in Amyloidosis**  
Giampaolo Merlini
- 12:15–12:45 **Panel discussion**  
Discussants: Mario Boccadoro, Giampaolo Merlini, Heinz Ludwig, Jesús F. San-Miguel
- 12:45 **Closure of the meeting**
